Subject: RE: Estabrook discovery

Stanley,

Attached are the emails formerly listed as Document #12 on my privilege log, and the revised privilege log. As for the response to Interrogatory No. 7, as Mr. Seham's email below notes, I have previously stated both in my January 15 letter and during our two telephone conferences on the issue that FedEx's response to Interrogatory No. 7 is replaced by the statement contained in the January letter. If further confirmation is needed, please advise. Also, please advise if your client is withdrawing his request for documents related to referring to Mr. Smith as "Fred" as Mr. Seham's email indicates.

I note too that your client's discovery responses are now due. Please advise on the status of your client's responses at your earliest convenience.
